Byon is the brand which never stops discovering new playful colour combinations, patterns, shapes and textures. The design is functional in an ingenious way where curiosity always brings out the personal element in every tangible created. Byon loves to surprise and does so in a humble way and with a big heart. Because it feels very special to be part of someone's home, to open up for new ideas and to give innovation its own brand name.

This is Byon's world. Welcome to us!

Step into the world of BYON where the most vivid season inspires our collection and fills our hearts with warmth and love. It's a collection that's not just about the season itself, but more about the feeling of falling in love – repeatedly - with us, with each other, with the world around us, and of course with everything tangible and intangible that fill our lives. It feels more important to remember this now than ever before.

Explore this whimsical world, where cool shapes evoke laughter and the unexpected finds its place at your table, spreading feelings of joy and togetherness. Our palette is a delightful array of colours, from the passionate shades of red, purple and rich orange to the captivating hues of mango yellow, ice blue, green and graphite grey. All blending harmoniously, creating a sense of mystery and comfort that invites you to indulge in the beauty of the season.

Porcelain, stoneware, glass, and textiles are materials which embody our commitment to sustainability. Organic recycled cotton and coloured glass in thick and thin designs also play an important role. Every piece has stand out texture and soft inviting shapes that without hesitation will add a touch of elegance to your home.

Candlestick Lara

Extravagant, pompous and utterly wonderful describe the Lara candlesticks in handmade glass perfectly. No candlestick speaks for itself quite like Lara, which takes a prominent place in every home. Inspired by the pillars adorning many of Italy's fantastic houses, stately and often with rounded shapes. The base and top resemble a flower, capturing the wax dripping over the candle like a built-in candle cuff. Available in various heights and colours, they are combined for maximum effect but certainly stand out on their own as well. The material is glass, reminiscent of glass art from the past. Comes in three sizes and three colour combinations. Handmade. Colour and structure differences may occur. Design by Byon Studio. Delivered in a Byon box.

Plate Kai

The idea behind creating Kai was to design a fun platter that would serve as a focal point on the festive table during the holiday season. The design of a fish in a rich burgundy tone and a protruding pattern was chosen to give the platter character. To add both height and playfulness, red cabbage was included as practical feet. This makes the platter both more elegant and practical when it's passed around the table. The material is dolomite. Designed by Byon Studio. Comes in a Byon box.

The glass series Bubbles is the detail which creates the entirety in a table setting, during the party, the breakfast. With these beautiful glasses no imagination is needed. They speak for themselves regardless if you are serving juice, wine, water or champagne. Or dessert for that matter. The glasses make us bubble – with joy, talk, happiness... Dishwasher safe. Due to handblown glass the bubbles may vary in size and amount.

54 Sea Collection

With roots on the west coast shells always have a natural place at Byon. Shapes which nature itself has created. In the Sea Collection the shape of the shells has met the imagination and become something we hardly thought existed. The surface is glazed or mat for the natural to meet the luxurious. Here you can find plate shell in different sizes, Bowl Awa small and big, Bowl Shell and Shelley among other items straight from the sea. As always at Byon there are no rules about how things should be used. What's important is what you want! Designed by Byon Studio.

The Oyster Family

Under the sea surface you'll find a world of unknown shapes and beautiful materials. We eat from shells, welcome rugged surfaces and change glitter to salt spray. The sea moves indoors when we decorate and set tables, simply because we cannot resist the playfulness. Bowl Oyster is a result of when the depth of the sea makes an impression to our creations. With its playful blue, beige or grey suit with a glossy finish, this bowl becomes something very special. It's also available in white with a matt finish. Mix colours, use it for jewelry, tapas or flake salt. The bowl is made off dolomite and are dishwasher safe for easy cleaning. Do not use in a microwave or oven.

We definitely love oysters, to look at and to eat. The serving plate Oyster is therefore a natural addition to our Byon collection. The plate is stylish, practical and stackable with serving pockets for your oysters. Its suit is shiny grey like it was made from silk.

Swirl

Uneven, round, twisted, organic, oversized and with crooked messy stripes. Swirl is the result when ceramics becomes handicraft in a modern way. The matt black-glazed surface meets the uncoloured raw one, and the contrast feels genuine. Swirl is chunky without being heavy. The perfect breakfast set if you ask us. Swirl is made of stoneware and is dishwasher and food safe. Designed by Byon Studio.

Lori

Corallo comes in two sizes and three colors. The material is handmade glass, and each vase is unique. Variations in colour and structure may occur. Designed by Byon Studio. Delivered in a Byon box.

Textiles

Textiles animate everything we love in a room. No matter where you're putting them, no matter what shapes they come in, they always manage to show off in the end. Not necessarily as big and beautiful, though that happens quite often as well, but as the extra touch, the detail that makes a difference over and over again.

Collection Leya

Flowers have always been important to Byon. This because they make us exceptionally happy. Leya is a sassy flower pattern designed for Byon only, which has succeeded with the combination to be delightful and at the same time gutsy. The pattern is inspired by the 1970s look but can definitely be mixed with more contemporary colours. All the flowers play an important role without stealing the show from each other. The tones stretch from dusty pink, via magenta and claret to pop blue and ocher yellow. The blackness of the pattern feels dramatic and beautiful. Leya decorate among other things, tablecloths, napkins and bags, sometimes just as a detail and sometimes the whole product.
