HOME COLLECTION FALL WINTER 2024

Yesterday is a treasure, today is a gift

In 2007, Pip Studio was founded in Amsterdam by Catharina van der Endt who decided it was time to colour outside the lines. Today, Pip Studio has grown up, but kept her playful character. Pip Studio is a reflection of Catharina's positive personality and perspective on life. She is convinced that each moment of each day beholds the opportunity to share and celebrate life with the people we care for.

Some people are born with it. Others gain it from experience.

Some will never learn... The ability to recognize life is full of moments that might make the difference. You could ignore those tiny chunks of gold by sticking to your daily routine. But Pip suggests doing the exact opposite. Chase them, embrace them and cherish them. Pip encourages people that put their heads through the window to catch the last beam of sun or stick their tongues out to catch that first drop of rain.

By surrounding yourself with Pip's creations, you remind yourself of the choice to celebrate whenever and wherever. From waking up in the morning in a beautifully messy bed, walking barefoot over fairy tale tiles to sipping coffee together from royal porcelain cups that are different in every way you look at it. From teapot to wallpaper, from carpet to cookie jar: Pip brightens your day with a colourful mash-up of styles and stories. Pip is a true treasure hunter. A passionate collector of past prettiness and enthusiastic adopter of bright new technology, like digital textile printing or porcelain cutlery. Resulting in a growing number of collections of today's classics.

Pip's products are crafted with eye for the tiniest (quirky) details. Classic yet inventive, traditional yet original. They remind us to embrace our heritage and inspire us to celebrate life. **Yesterday is a treasure, today is a gift.**

BERRY BLUES COLLECTION

*Pip is already secretly looking forward to the long winter evenings.
On such evenings, she invites her family and friends over for a nice dinner.
For this purpose, Pip designed the Berry Blues collection.*

*The items in this collection have a dark blue floral design with branches on which
elegant fantasy flowers and berries grow. Within the collection, the floral design is
combined with a deep green tile pattern with red accents, reminding of these
well-known winter checks. The edges are finished with gold accents and a surprising
red and white stripe, giving the collection an extra warm and cozy feeling.*

We dare to say that our Berry Blues collection is the best cure for the winter blues.

*The Berry Blues Collection is a seasonal collection
and only available on subscription.*

LOVE BIRDS COLLECTION

One of Pips favorites of all time!

The decorative medallion with the robins and other birds still take a central place in this collection. The medallion becomes a real centerpiece, because of the relief on which it is placed. Surprising is the combination of the curly golden decorative elements with the sleek design of both the shapes and stripes in combination of the pink-red color.

All products in this collection share the same stylistic characteristics. The decoration around handles, ears and spouts gives this collection its own recognizable style.

Besides the all-time favorite color pink-red we successfully introduced the new color green last spring. The green tableware collection perfectly matches with the 100% cotton table- and kitchen textiles with green woven stripes. The green color of the Love Birds collection can be complemented with metal vases and trays in matching green colors.

Don't miss out the special festive plates of Love Birds green tableware which includes a cute deer! These festive plates are only available on subscription.

ROYAL COLLECTION

The Royal tableware collection consists of Royal Stripes, Royal Multi and Royal White. All plates, cups and bowls in this collection have a delicate signature shape and are richly decorated with golden details. Besides tableware, the Royal collection also includes glassware.

The Royal Stripes items give the Royal Multi and White collection an unexpected fresh twist with their easy to match dark pink and clean blue white stripes.

The Royal Multi collection is inspired by historic tableware. Pip used bold vintage flowers and blue blossoms to decorate the colorful cups, plates and bowls.

The Royal White tableware has been designed with a nod to Pips Dutch origin. Crispy white items are decorated with hand painted Delft Blue flowers. Graphic golden curls and dots give the collection a modern twist.

PIP CHIQUE COLLECTION

The elegant Pip Chique collection is porcelain for true connoisseurs. The plates, cups and bowls are all made of New Bone China, a premium, thin porcelain of high quality with a delicate and sophisticated look and feel.

The sleek design and solid color give this porcelain a modern charm, while the matt gold details, elegantly shaped spout, lid and handle gives this collection a classic twist. Pip Chique is available in three different colors: bright yellow, emerald green and fuchsia.

The solid colors can be combined with the Pip Chique Stripes collection in a mixture of yellow with sand and emerald green with fuchsia. These stripes give just that unique twist to the Pip Chique collection and also combines perfectly with our other porcelain collections like Royal and Love Birds.

You complete your Pip Chique tableware collection with coordinating glassware and table textiles.

LILY & LOTUS COLLECTION

The Lily & Lotus tableware is decorated with large imaginative lilies, lotus leaves and dandelions in pastel shades. The flowers and graceful ferns are placed symmetrically, giving this elegant tableware a modern twist.

Besides the botanical decors, a number of items are also decorated with a matching kaleidoscopic print, made up of hundreds of small flowers and leaves. The repetition and detailing in this print make you feel as if you are looking through a prism. Many of the items are finished with an extra decorative geometric border.

The tableware can be combined with twisted glasses and woven table- and kitchen textiles with fresh modern lilac stripes. The Lily & Lotus collection can be complemented with metal vases and trays in matching colors.

The Lily & Lotus tableware is Pip Studio's first collection which is dishwasher-, microwave- and oven safe!

FLOWER FESTIVAL COLLECTION

Pip loves trips to the Far East. She gets inspired on every journey, looking at arts and crafts of the traditional Asian cultures. After her trip to Japan, she created the Oriental Flower Festival collection. Japanese influences are mixed with the inspiration from her earlier journey through India.

The cups, but of course also sushi porcelain like the chuzaras, chopsticks and zaras, have been decorated with floral ornaments, and in some items combined with refined Seigaiha wavelets print, which is typical Japanese.

On top, every piece is decorated with golden details, a real treasure on your table. But of course, not only for sushi or any other Asian delight: your late-night snack, crisps or cheese will look and taste marvelous on any Oriental Flower Festival piece as well!

For this collection we designed beautiful and luxurious giftboxes in the Oriental Flower Festival design. All sets are packed in these lovely boxes and ready to give as a present or a treat for yourself.

The Flower Festival collection is available in blue and a beautiful raspberry edition. This collection consists of tableware and table- and kitchen textiles.

LA MAJORELLE COLLECTION

With the La Majorelle collection Pip gives a tribute to the beautiful botanical gardens with its large diversity of colorful flowers and branches from all over the world. It's a lively display of flowers playfully combined with a nod to the palm trees and majestic herons. The dots and stripes on the background give this design a surprising combination and a modern twist.

The La Majorelle tableware collection is available in pretty pink and the beautiful shade of yellow and also includes glassware with a fairy tale golden landscape.

BLUSHING BIRDS COLLECTION

Influences from different cultures create exciting new contrasts and wonderful blends in this tableware collection. Colorful little birds and butterflies are elegantly placed between Eastern flowers, which Pip is known for.

All items have a subtle geometric print in the background. The plates and mugs are decorated with typical Asian ornaments.

The beautiful Blushing Birds collection is still one of Pip's favorites and consists of tableware, glassware and table- and kitchen textiles. The tableware collection is available in three colors: blue, white and khaki.
